Page 25 (2020): Longleat – ‘Festival of Light’ 2020 is now called ‘Land of Light’:-

This year we will actually be hosting a different event called the Land of Light and our Festival of Light will return next year. Please find below some more details on this event.

Longleat will be magically transformed into the Land of Light this winter as part of a brand new event.

Running from 7th November to 10th January 2021, Land of Light features thousands of spectacular light sources, illuminating seven themed areas across the Wiltshire estate.

Specially created for the Longleat Estate, the Land of Light's technology, art and interactive installations provide a stunning and unique alternative to the much-loved winter lantern spectacular; the Festival of Light. Which Longleat have postponed due to COVID-19, and will return in 2021.

See sensational projections light up the iconic Longleat House, dancing fountains and animated light displays across the ornate grounds and gardens, Half Mile Lake and The Longhouse.

Venture into the 70-metre long sensory tunnel before heading inside The Longhouse for a 360° infinity experience, featuring mirrored walls and hundreds of diffracted laser beams in a floor-to-ceiling optical and aural experience.

Longleat's famous 20-metre tall Enchanted Christmas Tree returns to the Stable Yard and the Santa Train will be back to whisk guests away to Father Christmas' magical woodland grotto.

During the day, you may also enjoy all of Longleat's animal and adventure attractions, including the Safari Park, Koala Creek, Jungle Kingdom, Jungle Cruise and the iconic Longleat Hedge Maze.
